Councils for High Schools.

Mr. H. Krishna Sastri, Krishnarajpete Taluk.

Summary of discussion.—A council of teachers may be formed for each High School with powers to regulate selection and promotion of boys and an efficient staff may be provided for the moffusil High Schools.

The chief complaint was that boys who failed to get adequate marks in the class examinations were promoted and that some High Schools had deteriorated in efficiency and popularity.

Pointed reference was made to the Hassan High School, to the fines levied from the boys and to the number of boys belonging to the Hassan District who had sought admission in the High Schools of other districts.

Reply of Government.—The system is in force. Specific cases of complaint will be enquired into.
